

***The Suicide Note – Franklin D. – 08/11/2025***

*Innuendos about suicide. Reader discretion is advised.*

I'm sorry mother

I'll never be a lawyer,  
because I've been a liar,  
pretty much all the time.

I'm sorry father

I don't even know you  
and I think if I knew  
't would be nothing new.

I'm sorry grandma

you said I'm the child  
every parent deserves,  
but, oh, my mind swerves  
towards insanity

I'm sorry world

You're nothing I've been told  
hence why do I use a mask  
it's quite a task, that shreds me  
to pieces.

I'm sorry mother

I'm not going to bother  
not anymore.

I'm sorry father  
this letter's not going farther  
from this moment on.

I'm sorry grandma  
but I can't stand to be  
in this land, in here,  
not anymore.

I'm sorry world  
you were everything they told  
maybe worse, or not  
my body will still be hot  
when you all find this.
